

# S-100 ECDIS

Simon Cooke

**HSSC 6 - 8 June 2023**

# Sperry Marine

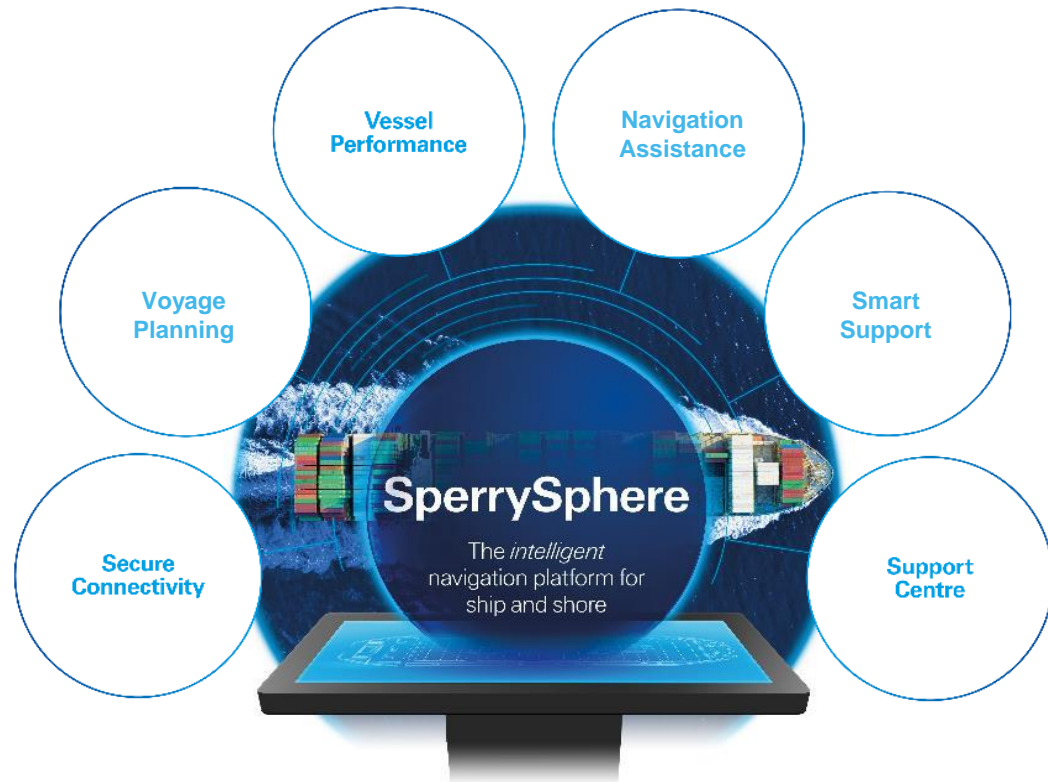

An ECDIS heritage

- ECDIS
- Radar
- Integrated Bridge Systems
- Digital Solutions
- Global Service Organisation
- Commercial
- Defence

# SperrySphere

Smart Navigation Platform

**Sperry**marine

## SperrySphere – Live in operation

Powering safe and efficient navigation on one of the world's largest container ships (23,000 TEU's)

# VisionMaster S-100 ECDIS

The best ECDIS yet!

## Benefits of S-100 ECDIS:

- Reduced workload
- Increased safety
- Improved efficiency

# We need data!

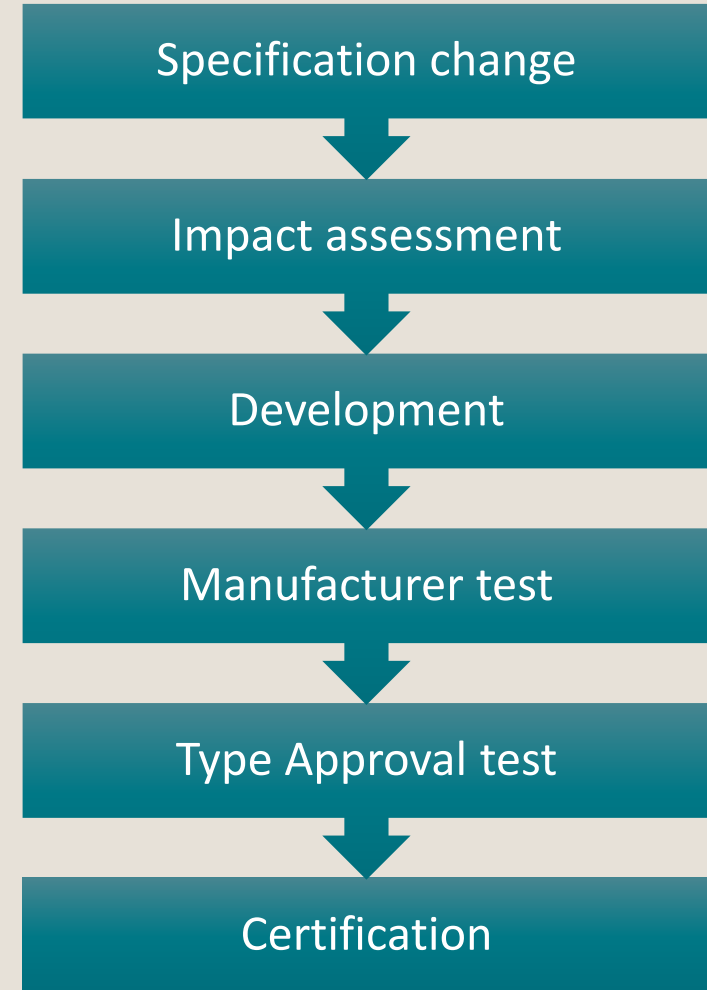

S-100 ECDIS needs S-100 data

Our business case depends  
on data availability!

# Manage the impact of change!

Juggling specification changes that result from maintenance will compete with other innovation

# Reduce the baggage!

Standards need maintenance

A roadmap that sunsets S-57 allows increased investment in S-100

# Sperry Marine
