

IHO File No. S1/6000/2017

ASSEMBLY CIRCULAR LETTER N° 15
30 January 2017

1st SESSION OF THE IHO ASSEMBLY

Monaco, 24-28 April 2017

HYDROGRAPHIC INDUSTRY EXHIBITION

Reference: Conference Circular Letter No.1, dated 21 April 2016 - *Announcement and General Arrangements*

Dear Hydrographer,

1. As indicated in the Reference, a Hydrographic Industry Exhibition will be held in conjunction with the 1st session of the IHO Assembly (A-1). This Exhibition will consist of exhibits and demonstrations from 30 companies and organizations from around the world. Exhibition stands will be set up throughout the Auditorium Rainier III. The Exhibition will be open from 1000 on Monday, 24 April and will close at 1200 on Friday, 28 April 2017. A list of Exhibitors is provided in Annex.
2. An Exhibition Catalogue will be available on the IHO web site from mid-March; a printed copy will be provided as part of the arrival registration process at the Assembly.
3. All Delegates and Observers are encouraged to take advantage of the presence of these companies and organizations by visiting their stands to discuss relevant topics with the representatives. As the companies and organizations are exhibiting at their expense, it is important that they feel that their presence has been worthwhile, so that they will exhibit at future sessions of the IHO Assembly and, in many cases, continue to support the IHO work programme and Regional Hydrographic Commission activities.
4. The Exhibitors will host a reception on Monday, 24 April from 1800 to 2000 to which all Delegates and Observers, including accompanying persons, are cordially invited.
5. The Exhibitors will also be sponsoring all the coffee breaks during the Assembly.

Yours sincerely,

Robert WARD
Secretary-General
