

# 3<sup>rd</sup> Region F ICCWG meeting Monaco – Thursday 27 April 2017

## ICCWG-F #3 Agenda

- [ICC3-1] Opening – Agenda approval
- [ICC3-2] Use of INT Chart Web catalogue (INToGIS)
- [ICC3-3] MEDINTCHART restricted access webpage
- [ICC3-4] ENC overlaps risk assessment
- [ICC3-5] Region F ICCWG ToRs and RoPs
- [ICC3-6] MBSHC20: 4<sup>th</sup> Region F ICCWG meeting work programme
- [ICC3-7] AOB - Closure

## Use of INT Chart Web catalogue (INToGIS)

- **2016: Entry into force** of the International Chart Web catalogue and Web Manager (INToGIS project).
- By using INToGIS web portal, ICCWG Members are able to:
  - >> **update** their INT charts,
  - >> **visualize** submitted INT chart proposals.
- **Web manager account** details already provided to:  
CY, ES, FR, GE, GR, HR, IT, RO, TR, UA
- To receive your national account access details:
  - A-1: INToGIS helpdesk booth** at the MS exhibition
  - @: INToGIS Manager** ([adcs@iho.int](mailto:adcs@iho.int))

## MEDINTCHART restricted access webpage

- 2006: creation of a **restricted webpage** hosted and maintained by IHO Secretariat.
- 2016: launch of **INToGIS web manager** with national and regional secured accounts.

Proposal: maintain a **open access** Region F ICCWG webpage providing Member States with:

- >> Region F ICCWG **ToRs and RoPs**,
- >> full collection of region F ICCWG **circular letters**.

## ENC overlaps risk assessment

### ➤ January 2017 – 7<sup>th</sup> WENDWG Meeting

WENDWG7/04: WENDWG endorsed the IC-ENC overlapping policy as a first step to identify navigationally significant overlaps and IHO Sec to make this policy available on the WENDWG Repository to be considered by RHCs.

WENDWG7/05: IC-ENC in liaison with **Region F Coordinator** to prepare a report on overlapping issues for the MBSHC as a trial.

**>> Use IC-ENC Master tracking database for all overlaps within the MBSHC region (IC-ENC risk assessment based analysis)**

**>> ICCWG to qualify their effective risk level based on navigational *criticality*.**

## ENC overlaps risk assessment

### ➤ PRIMAR Overlap Checker Hits on Region F (April 2017)

Region F	2015	01-2017	04-2017
UB1-2-3	91	93	95
UB4-5-6	119	56	65
Total	210	149	160
OO	80	39	38

- Regional charting coordinator to send national **Primar OC results** by MBSHC20.
- **Own overlaps** to be addressed by concerned MS by MBSHC20.

## Region F ICCWG ToRs and RoPs

- Current Region F ToRs and RoPs based on the following references:
    - >> HSSC1 Meeting (Singapore, 22-24 October 2009)
    - >> MBSHC16 Conference (Odessa, 22-24 September 2009)
  - Need to integrate the following evolutions:
    - >> IRCC7 Conference (Mexico, June 2015)
    - >> S-11 Part A Edition 3.0.0 (April 2017)
  - Need to integrate the region F ICCWG silence procedure
  - Need to refer our ICCWG discussions on the basis of strong and accurate technical grounds.
- ➔ **Proposed revised Region F ICCWG ToRs & RoPs**

## Region F ICCWG ToRs and RoPs

- ICCWG Members are invited to:
  - >> *take note of the revisions submitted*
  - >> *provide any additional comment to RCC (May 30<sup>th</sup> 2017)*
- Regional charting Coordinator to **disseminate a revised version** of the ToRs & RoPs taking into account MS comments ICC3 meeting (June 5<sup>th</sup> 2017).
- **Revision** of ToRs & RoPs to be submitted to ICCWG for approval at **MBSHC20 (July 2017)**

## MBSHC20: Region F ICC-4 meeting work programme

Provisional list of scheme to be submitted to ICCWG:

- Marmara Sea scheme (4 charts, TR)
- Aegan Sea scheme (5 charts, GR)
- Black Sea scheme (2 charts, RO)
- South-East Mediterranean scheme (3 charts, EG)

Proposals will be available for visualization on INToGIS web portal

- Western Mediterranean mid-scale scheme (DZ/ES/FR)

➔ Provision of updated national chart catalogue

➔ Provision of new publications/editions to the RCC
