### **SWPHC Disaster Response Framework (version 10/02/2020)**

Dear Sir/Madam,

The draft SWPHC Disaster Response Framework (Version 10/02/2020) was developed at the Technical Workshop preceding the SWPHC17 Meeting and subsequently adopted at the meeting. The SWPHC CB Coordinator circulated the document to the workshop attendees on 10 February 2020. (see attached)

An action arising from the SWPHC17 Meeting was for the Chair to circulate the Draft Disaster Response Framework (version 10/02/2020) to coastal States in the region, requesting them to identify points of contact and the means of communication as outlined in paragraph (2a) of the document.

Please review the attached draft Framework and forward the following information to the SWPHC secretariat ([international.relations@hydro.gov.au](mailto:international.relations@hydro.gov.au)) by 31 May 2020:

- (i) Senior Point of Contact – Name, Designation/Title, Organisation, Email contact, Phone contact
- (ii) Working Point of Contact – Name, Designation/Title, Organisation, Email contact, Phone contact
- (iii) Alternate means of communication (if applicable)

The Chair will collate the information received and circulate it to SWPHC members.

Kind regards

Yours sincerely,

Commodore Fiona Freeman, RAN  
Hydrographer of Australia  
Chair, SWPHC

21 February 2020
